Water services are available for exhibitors through the Pensacola Interstate Fair. Large quantities of water may be purchased directly from the Fair, and hot tub filling service is available for \$20 per tub.

Payment must be made directly to the Pensacola Interstate Fair before water services can be provided. Exhibitors may pay in cash during move-in or visit the Fair office on Friday upon arrival to complete payment.

Exhibitors are responsible for providing the necessary equipment and an approved method for draining water, such as a water pump.
